Company Profile

Macmillon Group is 38 years young Pharma major which is operating ethically and promoting specialty products scientifically in the northern states of India. We are manufacturing and marketing certain products backed by solid scientific evidence to serve the mankind. This unique range of products is very well appreciated by the Medical fraternity.

Macmillon started its operations with Hormone brands like Protabol inj (Nandrolone Phenylpropionate), Protadec inj (Nandrolone Decanoate), Caprogen Depot inj (Hydroxy Progesterone Caproate), Lutalin tablets (Allylestrinol), Estogen tablets/Inj, Progoston Tab/Inj, Menolon inj (Estrogen and Testosterone in a very fine ratio of 1:20), Testoretard inj (Testosterone inj) etc. Today Macmillon is having more than 400 speciality products in its portfolio and also introducing many more in the coming months.

To promote these products a sound product knowledge is a must. So, Macmillon developed a very strong in-house product and marketing training system which is comparable to any Multinational or National company in India. Macmillon Group is having three State of the Art manufacturing plants namely Ravenbhel Healthcare Pvt. Ltd., Ravenbhel Biotech and Macmillon Pharmaceuticals Ltd. Its units are accredited by WHO GMP & various International bodies/Countries.

What we do

MD's Message

Mr. Naresh Mahajan (MD)

Started Macmillon Pharmaceuticals Ltd. With manufacturing unit at Amritsar in 1982.

Dear Friends, I am very thankful to you for showing interest in our organization. We started Macmillon Pharmaceuticals Ltd. 38 years back and set up a state of the art manufacturing unit at Amritsar, with facility of manufacturing hormone injections and tablets alongwith other tablets, injections and syrups. Since our inception we focused on our high ethical marketing & manufacturing practices.

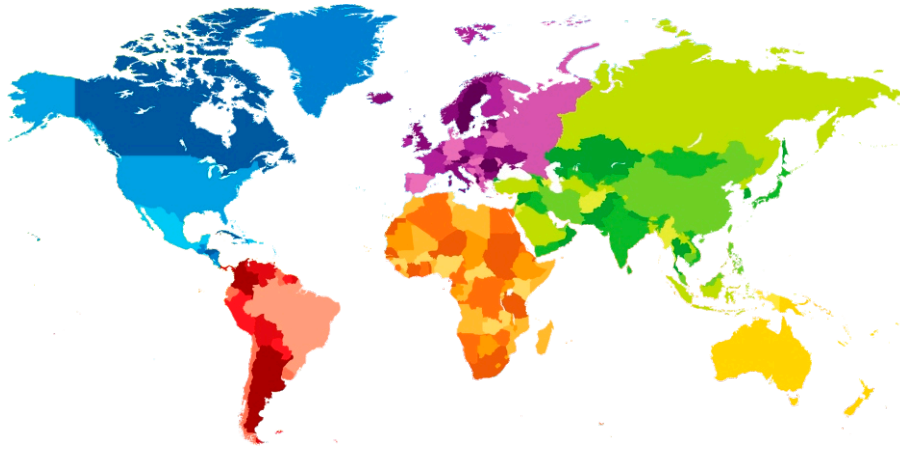

The success story continued and my son Sahil Mahajan joined hands with me to setup two WHO GMP certified manufacturing plants at Jammu in the name of Ravenbhel Healthcare Pvt Ltd. and Ravenbhel Biotech. Today, Macmillon Group is not only manufacturing products for its own marketing companies but also manufacturing for many National and Multinational companies and also exporting to over 20 countries.

Mr. Sahil Mahajan (Director)

Setup WHO GMP Certified manufacturing Units Namely Ravenbhel Healthcare Pvt. Ltd. in 2004 & Ravenbhel Biotech in 2010 at Jammu.

To continue the success story we wish to expand our horizon and explore opportunities in PCD/Franchisee based system of marketing. We invite you to join hands and become a part of Macmillon Group. We assure you best of marketing support and 100% availability of quality products.
